This is the last issue of the Textbook

The Textbook and the Cardinal have merged to make a weekly, the ~~Textbook~~ Cardinal. In all probability it will be printed in Middletown.

The paper will be sent to the subscribers of both papers just as before.

Below is the new staff.

Wm. Day Scott, of the CARDINAL, says: I think that the combined forces of the CARDINAL and the TEXTBOOK will put out a real paper. The subscribers will certainly be very pleased.

George Patterson, of the TEXTBOOK, says: I think that the new paper will be quite successful. All past rivalry has been dissolved, and the new staff should work in perfect union. For my part I am all for the paper.
