News & Notes

We Need Your Health Forms!

V and IV Form parents: Health Forms were due on June 30. If you have not submitted your child's health forms, please log on to our enrollment portal [here](#) and complete them as soon as possible. If you have questions or concerns regarding any portion of the health forms, please email healthcenter@standrews-de.org or call 302-285-4240. If you have questions about how to access or use the enrollment portal, please email Will Meehan at wmeehan@standrews-de.org.

Flu Shots for V Form Students

Flu shots will be available for V Form students during their move-in days this weekend. (If you can't decide whether or not to get a flu shot, which we encourage, [here are some reasons](#) to do so.) We are working to be able to offer flu shots to IV Form students during their move-in days next weekend, and will keep you informed on this subject in the Friday News.

Admissions Office News

The Admission Office is already looking ahead to Fall 2021! If you have a child who may be interested in enrolling at St. Andrew's in the fall of 2021, the Admission Team is excited to speak with you! Please fill out a [request information form](#) to join the mailing list and receive information about special admissions visit opportunities for siblings and alumni children this fall. **Likewise, if you have friends, neighbors, or colleagues with students who are considering boarding school, please feel free to put them in touch with Director of Admission & Financial Aid Matt Wolinski at mwolinski@standrews-de.org.**

Testing Updates

Recent Testing Results

- The second round of on-campus testing for III Form girls (as well as two V Form girls who arrived to campus early) took place on Wednesday, September 30. All results returned negative.

Ongoing/Upcoming Campus Testing

- The second round of III Form boys testing took place on Thursday, October 1. We expect results of this testing to come in over the weekend.
- All V Form students will be tested upon arrival on this weekend. We expect results to come in 48-72 hours after testing is completed.

It All Begins in the Classroom

Algebra students spent a brisk morning outdoor class period working on "solving a linear equation by clearing fractions, and discussing the benefits of applying the associative property to do so," explains teacher Ms. Klecan.

Spanish 2 students (both those pictured in the room, and those studying virtually on the laptop of teacher Mr. Miller, more commonly known to students as "Profe") read and acted out portions of a short story. "We tried to ask and answer as many questions as we could about the story, to get as much language flowing around the room (and internet) as possible," notes Profe. "We also tested our comprehension of what we read by drawing our individual depictions of a painting described in the story."

Humanities students discuss Toni Morrison's *BeLoved*—specifically "the power of storytelling, both in terms of Denver's birth story and in the way that Morrison puts the narrative together," explains teacher Mrs. Roach.

Intro Bio students make the campus their classroom with the guidance of teachers Mr. O'Connell and Dr. O'Connor.

Life In (and Around) O'Brien

Campus is hopping during our Wednesday arts block! Follow what's going with the arts at St. Andrew's on Instagram [@life.in.obrien](https://www.instagram.com/life.in.obrien).

Meanwhile, Elsewhere on Campus...

The Front Lawn has always been at the center of everything, both literally and figuratively, at St. Andrew's—but never more so than this year.

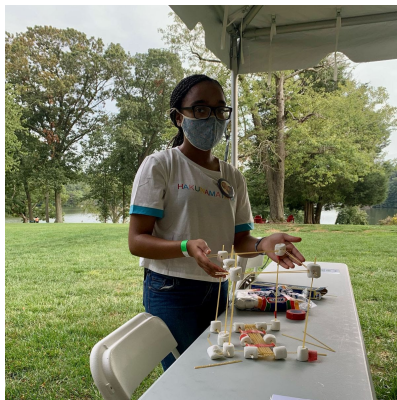

Students and faculty enjoyed a Thursday afternoon cookout on the Front Lawn.

After their move-in days last week, III Formers spent Friday afternoon in small group activities led by faculty. Activities included: hiking, bullet-journaling, Pictionary, skateboarding, yoga & meditation, mountain biking, charades, marshmallow/spaghetti structure-building, gardening, sidewalk chalk-drawing, and much more.

Speaking of yoga, Dean of Counseling Pam Brownlee has been leading Thursday afternoon outdoor yoga classes for interested students....

... and Mrs. Carroll has been doing the same weekend mornings on the Front Lawn...

... while down by the Boathouse, girls crew Head Coach Lou Berl has been sneaking in some fall rowing workouts with her athletes.

We can't wait to see you, Class of 2022!
