## Ethos is Everywhere!

### Boys Crew Holds Burpee Fundraiser for Delaware Food Bank

With their spring 2020 season canceled, Saints boys crew captains JT Meyer '21 and Blake Hundley '20 decided to organize an event that would bring the team together while also supporting our local community. Since not everyone on the team has access to ERG machines and other fitness equipment at home, JT and Blake ultimately landed on the idea of a five-minute burpee challenge held via Zoom (since a burpee requires only the human body!). The team set a goal of [raising \\$1000 for the Delaware Food Bank](#) through the challenge, and getting as many current and alumni rowers as possible to join in. "We were thrilled to have 18 team members join in the burpee challenge, and we've raised over \$1700 as of Monday afternoon," said Saints boys

rowing Head Coach Will Porter. Alec Finch '22 won the day with an astonishing 76 burpees. Read more about the event [on our website](#).

### May is Asian Heritage Month....

... and to that end, this week, St. Andrew's Asian Affinity Groups organized and published an [Asian Heritage Month Lyceum document](#)! In it, you'll find links to videos on Asian heritage and issues students have shown at Achool Meetings; a magazine on Asian films & filmmakers designed by SAS students; an Asian Heritage Month Spotify playlist (also assembled by SAS students), upcoming Asian Heritage Month events and discussions, and much more.

Caitlin Shipley '20 sent in this photo of herself and her sister Riley Shipley '16 sitting in her family's new red Adirondack chairs—recently purchased by their parents Michael and Melissa Shipley P'16,'20 "to make our home feel a little bit more like SAS, on our own "Front Lawn".

---

Jeffrey Roh '20 wished to commemorate Dean of Student Life Will Robinson's birthday (which was yesterday) by sharing this photo of himself and Will Rob on "Twin Day" this past fall. Viva la revolución!

---

Facilities Team member Mike Rivera snapped this pic of a rainbow over St. Andrew's, which appeared after a rain shower early this morning. Hope this brings a smile to your face and your week!
