News & Notes

Summer Reading!

The school's 2022 summer reading assignments have been posted online. All students are required to read "[Pack Your Parachute Well](#)," a St. Andrew's Commencement address given in 2011 by Sarah Atwater Abbott '99. Students are then required to read two books from the list that appears [here](#) (scroll down to view full list). Further optional enrichment opportunities and a letter from Dean of Teaching & Learning Gretchen Hurtt '90 P'22, '24 are available [here](#). Parents and families, you are encouraged to engage with your children around this project—feel free to help them pick texts, read along with your child, share your own ideas for further reading, and in general encourage plenty of reading for enjoyment this summer!

In Case You Missed It...

Joy shared [this final reflection](#) with parents last night. You can read many of Joy's remarks and reflections from the year on the [Head of School's blog](#) on our website.

Don't Forget to Order a Custom Graduation Video

Personalized videos of the Class of 2022 graduation ceremony are now available for pre-order [here](#) from OK Video. Videos are \$35 each, come in your choice of video format (DVD, Blu-Ray, flash drive, or simple download), and will be shipped or emailed in early to mid-July. The deadline for orders is June 26; you can still order a video after that date, but will be charged an additional late fee.

2022-23 Health Forms Now Open

Looking forward to the next school year: parents of underformers, you should have received an email earlier this week with a link to your child's 2022-23 health forms. **Please log in to the [enrollment portal](#) at your earliest convenience to review the health forms checklist and make a plan for completing them by the required deadlines this summer.**

Photos from the School Year Now on Pixevety

In case you missed it: in May, we launched Pixevety to the school community. Pixevety is a private photo-sharing platform that allows St. Andrew's students, parents, and employees to view, share, and download photos of life at SAS. If you haven't yet activated your Pixevety account, you can do so [here](#). Please note that you will need to use the email address we have on file for you at SAS (that is, the email address at which you received this message) as your Pixevety username.

Celebrating the Class of 2022

It was wonderful to be together with so many families over Memorial Day weekend to celebrate and honor the Class of 2022! In the lead up to Commencement, students—now alumni!—enjoyed a bevy of traditional Senior Week activities, including planting

their Class tree, carving their names in the alumni wall, reading letters they wrote to themselves at the end of their first year at SAS, hosting Senior Retro in Engelhard Hall, and much more not pictured below. You can read the Commencement address from Janice Nevin '77 P'13 [here](#); and view photos from Senior Week in [Pixevely](#) and [on our website](#).

Meanwhile, Elsewhere on Campus...

A roundup of campus life photos from the last few weeks of school.

Project Zero, our annual all-campus cleanup effort, has been in full swing for the past week. As students clean up dorms and common spaces, they bring items no longer needed or wanted to a central donation space (the Wrestling Room), where all community members can take and share!

Speaking of campus cleanups, Mrs. Hurtt snapped this super-cute photo with her

advisory during the all-campus cleanup session on the last night of school.

Some courses commemorated their last day of class with a group portrait.

The Class of 2025 enjoyed their Chipotle party on the Front Lawn. Thank you again to all the parents who participated in the [parent giving challenge](#) in May!

Just a few more candid of on and off-campus fun...

... many more photos available on the Front Lawn!

Go Saints!

[Here](#) is a great recap of all Saints athletic achievements this school year. Congrats to all our champions and outstanding teams over the past three seasons! (A few photos from spring teams are shared below.)

Delaware Honors Longtime SAS Baseball Coach Bob Colburn

Delaware's annual high school all-star baseball game—known as the Blue-Gold Game—will be renamed in honor of longtime St. Andrew's baseball coach Bob Colburn. You can attend the renaming ceremony in honor of Coach Colburn this coming

Wednesday, June 8, before the all-star game at Frawley Stadium in Wilmington, Delaware; the ceremony is set to start at 5:30. Read more [here](#).

Farewell, But Not Goodbye!

We'll be missing the many Saints who are leaving campus this May and June,

just a few of whom are pictured below: ASSIST student Michael Novacescu '23, seen here in coat and tie after giving the final chapel talk of the year last night; Ms. Duprey, seen here being celebrated by her M Dorm residents on her last night of duty earlier this week; Ms. Beblo and Ms. McGaha, both of whom are retiring this summer; and of course, the Class of 2022! We love you, come back and visit us soon, and remember—
you will ALWAYS be a part of the St. Andrew's family.

Have a wonderful summer, Saints!
